

CLOAK

LEADERSHIP

Project Manager

@LASVEGAS83

@lasvegas83 has over 15 years of experience managing projects in different areas. Inspired by the potential impact of blockchain technologies in the financial world, he got involved in the Cloak Project in 2014. As the project manager, he is responsible for planning, coordinating / executing and promoting Cloak.

WHAT MAKES CLOAKCOIN UNIQUE FOR YOU?

"CloakCoin is unique because Cloak offers a fast PoS system, with a legendary interest rate and a high-quality transaction system with off-chain peer-to-peer coin mixing arrangement that even a NASDAQ listed cyber security company has audited."

Tech Lead / C++ Dev

@DEEPEND

@Deepend is a gifted polymath engineer with over two decades of experience in software engineering, architecture and engineering management in the biotech industry. With a bachelor's Degree in mechanical engineering and a master's Degree in computer science, he successfully designed efficient, real-time software control systems for mass spectrometry, holographic ultrasound imaging, and servo / stepper motor controls amongs other things. He is a strong believer in blockchain technologies and is bringing his technical expertise to Cloak's mission.

WHY IS CLOAKCOIN THE BEST PRIVACY COIN?

"CloakCoin is the best technology for privacy since the seller, buyer, and transaction amount is unknown to everyone but the seller. CloakCoin has made great strides in protecting your right to privacy and freedom."

CLOAK

LEADERSHIP

Community Manager

@YOGIBAER

@Yogibaer has more than 18 years of experience in different IT fields and IT Support, and 10 years of experience in stock market analysis, trading and investing. With his financial backgrounds he came across bitcoin and blockchain technologies in mid 2013. Shortly after that, he got involved in the Cloak Project in 2014 and has remained part of the Cloak Team as our community manager.

WHAT IS YOUR VISION FOR CLOAKCOIN?

"CloakCoin becomes an all in one coin. Use it as anonymous currency, use it as a crypto investment, earn rewards with your investment with hardly any energy consumption using POS instead of POW. "

PR & Marketing Lead

@SIDI25

@Sidi25 has two years of experience in online marketing, communication and press release. During his studies he came across bitcoin and blockchain technologies. Fascinated by the whole concept, he wrote his thesis about the impact of cryptocurrencies on the financial system. He has been involved in Cloak since 2014.

WHY IS CLOAKCOIN THE BEST PRIVACY COIN?

"CloakCoin fulfills all the aspects of a fast and secure transaction system based on blockchain technology, which is underlying the terms of decentralization and guarantees to protect your identity and privacy with ENIGMA. "
